

# What's Up Cuz

Toby Keith

Hey, what's up cuz  
Man, I got a two beer buzz  
What say we take your truck so we don't get stuck  
No, we don't get stuck

I hear these bathing beauties  
Wading in a fishing hole  
I think it's bout time to catch one  
Ain't takin' no fishin' pole (Mhmm)

Hey, what's up cuz  
Man, I got a three beer buzz  
I's pretty good on Sunday  
Now it's Monday, all day Monday

Uncle Doug made a jug or two  
Of his famous homemade shine  
Goes down so sweet and smooth  
He calls it apple pie  
Y'all want some apple pie?

Pickin' in the parlor, pickin' on the porch  
Pick a little finger, pick pick a little more  
Chicken and the crickets are singin' that tune  
Old bullfrogs just poppin' that groove

Hey, what's up cuz  
Man, I got a four beer buzz  
Get a little getting down  
Stompin' around, st-stompin' around

And somebody gotta feed that dog  
Somebody gotta milk that cow (Hey!)  
Somebody gotta play this solo  
How bout we play it now? (Right now!)

I'm gonna drown my sorrow  
With all my good time friends  
And I'll wake up tomorrow  
And do it all again

Hey, what's up cuz  
Man, I got a two beer buzz

Hey, what's up cuz  
Man, I got a two beer buzz

Hey, what's up cuz  
Man, I got a two beer buzz
