

# Crawlin'

**Toby Lightman**

I'm a crawlin' little baby and I crawl all over the world  
Doo-bee-doo-doo  
I'm a crawlin' little baby and I crawl right onto your world  
Doo-bee-doo-doo  
I crawl through the kitchen and I crawl through the desk  
I crawl up the stairs and then I go at it again  
I'm a crawlin' little baby, I crawl all over the world
