

Every Kind of People

Toby Lightman

I could walk for miles upon the city streets
And feel the rush from the subway breeze
And all the beautiful faces that I see
All strangers

I wonder if they think about what they do
Are they like me, I guess it must be true
We're in the same game, me and you
In the same game

Every kind of people
I don't wanna live so I can survive
Every kind of people
What I wouldn't give not to just get by
With every kind of people
In the same world living different lives
Oh yeah yeah, mmmmm

We all got bills to pay, we got mouths to feed
Not what we want, we hope for what we need
We all laugh and cry for the same old reasons
And yeah we all move too fast

Every kind of people
I don't wanna live so I can survive
Every kind of people
What I wouldn't give not to just get by
With every kind of people
In the same world living different lives

Don't stop dreaming away
Don't stop
For better days
Don't stop
They're coming
They're coming for now
We've got enough
To make it
Whatever it is
I'll take it
I'll take it

Every kind of people
I don't wanna live so I can survive
Every kind of people
What I wouldn't give not to just get by

Every kind of people
I don't wanna live so I can survive
Every kind of people
What I wouldn't give not to just get by
With every kind of people
In the same world living different lives

Ohh
Hey
With every kind of people

Yeahh
Oh oh oh
Yeah yeah yeah
Oh oh oh
Mmm
Oh oh oh
Oh oh oh
Oh oh oh
Yeah
Ooh yeah yeah mmm mmm
Mmm mmm
Yeah yeah
Yeah yeah yeah yeah yeah...
