

## Fun and Games

**Toby Lightman**

Spark up the fire  
From next to nothing  
Cut through the wire  
She's starting something with no hesitation  
Making a new situation

In a haze  
Rise above it  
Count down the days  
Hot like an oven with no moderation  
Just a little motivation

It feels so right  
It can't be wrong  
It feels so right

Yeah you're kicking  
And taking names  
Yeah the one who's leading all the fun and games  
Yeah you're kicking  
Ain't looking back  
Yeah you've always been the hardest nut to crack  
All fun and games, all fun and games, all fun and games  
Til somebody loses

Making plans  
While we're sleeping  
Take a stand  
Out of the deep end with a new formation  
This ain't your old recreation

Pick up the key  
Go and unlock it  
Sting like a bee  
Fly like a rocket to a permanent vacation  
Maybe for them a complication

It feels so right  
It can't be wrong  
It feels so right

Yeah you're kicking  
And taking names  
Yeah the one who's leading all the fun and games  
Yeah you're kicking  
Ain't looking back  
Yeah you've always been the hardest nut to crack  
All fun and games, all fun and games, all fun and games  
Til somebody loses

Future's calling  
Keep pushing through the crowd  
Reign is falling  
You're making tables turn  
And now your voice is heard

Yeah you're kicking

Ain't looking back  
Yeah you've always been the hardest nut to crack  
All fun and games, all fun and games, all fun and games  
Til somebody loses  
All fun and games, all fun and games, all fun and games  
Til somebody loses
