

Hangin' out to Dry

Toby Lightman

You got your wayfarers on
Can't see past the shades
Dragging your heels so slow
Am I getting in your way?

Don't you want my heart
Why you wanna leave me in the dark

Tell me what you're feeling
'Cause I'm barely dealing
Don't leave me hanging for your love, hanging
Baby why you stalling
Don't be scared of falling
Don't leave me hanging for your love
Hanging out here to dry
Hanging out here to dry

You turn your headphones loud
When I'm screaming out the words
You're backin' in to the crowd
Everything hurts

Don't you want my heart
Why you wanna leave me in the dark

Tell me what you're feeling
'Cause I'm barely dealing
Don't leave me hanging for your love, hanging
Baby why you stalling
Don't be scared of falling
Don't leave me hanging for your love
Hanging out here to dry
Hanging out here to dry

Tried and tried to let you know
Why oh why won't you let go
Tell me where we are
Tell me where we are
Tell me what you're feeling
Tell me what you're feeling

Tell me what you're feeling
'Cause I'm barely dealing
Don't leave me hanging for your love, hanging
Baby why you stalling
Don't be scared of falling
Don't leave me hanging for your love
Hanging out here to dry
Hanging out here to dry
Hanging out here to dry
Hanging out here to dry
Hanging out here to dry
Don't leave me baby
Hanging out here to dry
