

# Higher

Toby Lightman

Am I all washed up  
Am I what they said  
Am I good enough  
Is it in my head  
Every day I'm older  
But so far from over

Trying to make my way  
Still in this fight  
No matter what they say  
I'mma get this right  
Every day I'm older  
But so far from over

Odds are stacked against me  
Tie me to the ground  
But I know at the end of the day

When the water is rising, rising, rising  
I'm gonna rise up, higher, higher  
Where there is a mountain - I'm gonna climb it  
I'm not going down  
I'm not going down

I'm better than I was  
And I know who I am  
And if that's not what they want  
Then I don't give a damn  
Everyday I'm older  
But so far from over

Odds are stacked against me  
Tie me to the ground  
But I know at the end of the day

When the water is rising, rising, rising  
I'm gonna rise up, higher, higher  
Where there is a mountain - I'm gonna climb it  
I'm not going down  
I'm not going down

When the water is rising, rising, rising  
I'm gonna rise up, higher, higher  
Where there is a mountain - I'm gonna climb it  
I'm not going down  
I'm not going down

Climbing up to that higher ground  
Ain't nobody gonna stop me now (higher, higher, higher)  
Standing tall I'm girl on fire  
Skies the limit and I'm going higher

When the water is rising, rising, rising  
I'm gonna rise up, higher, higher  
Where there is a mountain - I'm gonna climb it  
I'm not going down  
I'm not going down

When the water is rising, rising, rising  
I'm gonna rise up, higher, higher  
Where there is a mountain - I'm gonna climb it  
I'm not going down  
I'm not going down

When the water is rising, rising, rising  
I'm gonna rise up, higher, higher  
Where there is a mountain - I'm gonna climb it  
I'm not going down  
I'm not going down
