

I'd Be Lost

Toby Lightman

Take care of me now, for I can't hold up my head
Could you save me somehow, from all the things I've said

Oh don't you ever go away, for I'd be lost out there
Oh I need you here to stay, cause I'd be lost..

If I can't unfold myself, I'm gonna fall apart
at the seams
Boy cause I can't help myself when I don't
know what I need
