

Burning

Toby Mai

I know you're in love, wherever you are
If you ever around, you know what I'm on
Girl, I needed your love, and I needed your touch
But you knew from the start that I always would leave

And then as I walked out the door
You were screamin' my name
And I thought to myself
As I'm walking away

Ooh, hoo, hoo (Ooh, ooh)
It'll burn to a flame
Ooh, hoo, hoo (Ooh, ooh)
It'll burn to a flame
Ooh, hoo, hoo (Ooh, ooh)
As I'm walking away
Ooh, ooh, ooh, ooh-ooh, ooh, ah

I'm already gone
This liquor is strong
We're hopeless in love
Girl, we're hopeless in love
Girl, the more that I see
And the more that I touch
It's getting harder to breathe
It's getting harder to love (Harder)

As I walked out the door
You were screamin' my name
And I thought to myself
As I'm walking away

Ooh, hoo, hoo (Ooh, ooh)
It'll burn to a flame
Ooh, hoo, hoo (Ooh, ooh)
It'll burn to a flame
Ooh, hoo, hoo (Ooh, ooh)
As I'm walking away
Ooh, ooh, ooh, ooh-ooh, ooh, ah

Woah-ho, ho
Woah-ho, ho
I let you down
I never meant to let you down
Woah-ho, ho
(Woah-ho) Oh (Let you down)

And as I walked out the door (Woo, hoo, hoo)
You were screamin' my name (Woah)
And I thought to myself (Woah)
As I'm walking away

Ooh, hoo, hoo (Ooh, ooh)
It'll burn to a flame
Ooh, hoo, hoo (Ooh, ooh)
It'll burn to a flame
Ooh, hoo, hoo (Ooh, ooh)

As I'm walking away
Ooh, ooh, ooh, ooh-ooh, ooh, ah

Oh, ah, oh, ah
(I'm walking away, I'm walking away) It'll burn in the rain
