

Crawling

Toby Mai

Haven't thought about it for a minute now
For a minute now, no
Now you're gonna trip 'cause you're missin' out
'Cause you're missin' out, no
If anybody else could've got it
You would've chose this as an option
And now I'm 'bout to kill these profits
Oh, no, no, no

Don't you come back crawling (Oh-oh, oh-oh)
Don't you love me now (Oh-oh, oh-oh)
Don't you come back crawling (Oh-oh, oh-oh)
Don't you love me now (Oh-oh, oh-oh)

You told me in the back of the car (Of the car)
You didn't wanna take it too far (Too far)
Now you're in the back of the club (Of the club)
Thinkin' 'bout us way too much (Oh-oh)
'Cause we've been on the road for a minute now (Oh-oh)
So, she don't wanna waste anther minute now, no
No-no-no, no-no-no, no-no-no
Oh, oh-oh, oh

Don't you come back crawling (Oh-oh, oh-oh)
Don't you love me now (Oh-oh, oh-oh)
Don't you come back crawling (Don't you come back, come back, come back; oh-oh, oh-oh)
Don't you love me now (Oh-oh, oh-oh)

Oh, oh
Oh, oh, oh, oh
Oh, oh-oh, oh, oh
Don't you come back crawling
Oh, oh
Don't you love me now
