'Cause ain't no one gon' love you (love you)
And ain't no one gon' stop us (stop us)
And ain't no one gon' love you (love you)

If you ain't with me now, then you're goin' against us
But I don't fuck around, baby, don't get it twisted
If I don't want you 'round, girl, you gon' in an instant
There ain't nobody else that can keep with this shit (this shit)
If you ain't been around
You don't know what you're missin' (what you're missin')
The winters gon' cold I ain't home for Christmas
If you ain't know now
Now you know there's a difference (there's a difference)

Anybody else off topic (off topic)
Anybody else that's walkin' now (that's walkin' now)
Anybody else that's poppin' (that's poppin')
I couldn't care less if you love me now

'Cause ain't no one gon' love you (love you)
And ain't no one gon' stop us (stop us)
And ain't no one gon' love you (love you)
And ain't no one gon' stop us (stop us)
There ain't no one (ain't no one)
Ain't no one, ain't no one (ain't, ain't, ain't)
(Ain't no one) there ain't no one
Ain't no one (ain't no one but me, oh no)

'Cause baby I am gone (gone)
So far gone (gone)
If you didn't know (if you didn't know)
If you didn't know (if you didn't know)
('Cause ain't nobody gonna stop us bae)
'Cause baby I'm gone (baby I'm gone)
So far gone (so far gone)
