FEIN

Toby Mai

So tell me you've been feinin'
Since I touched on your face
Since I fucked on your waist
Baby, I still love you
Tell me that you're feinin'
Since I touched on your face
Since I fucked on your waist
Baby, I still love you
Tell me that you're

There is no excuse, baby
I know what's on your head
I ain't gonna let you down
Let you drown, yeah

So, baby, are you dreamin' 'bout (dreamin' 'bout)
The way I got you screamin' out? (Screamin' out)
Baby, it has been a while (been awhile)
So

So tell me you've been feinin'
Since I touched on your face
Since I fucked on your waist
Baby, I still love you
Tell me that you're feinin'
Since I touched on your face
Since I fucked on your waist
Baby, I still love you
Tell me that you're

So, baby, don't you fret no more
'Cause you are too damn perfect
And you are too damn worth it
And, baby, you deserve this, huh

So, baby, are you dreamin' 'bout (dreamin' 'bout)
The way I got you screamin' out? (Screamin' out)
Oh, baby, it has been a while (been awhile)
And I wanna know

That my baby's been feinin'
Since I touched on your face
Since I fucked on your waist
Baby, I still love you
Tell me that you're feinin'
Since I touched on your face
Since I fucked on your waist
Baby, I still love you

Tell me that you're feinin'
Since I touched on your face (since I touched on your face)
Since I fucked on your waist (since I fucked on your waist)
Baby
Oh, oh, oh, oh
Oh, oh, oh, oh
Ooh, yeah
