

im wrong

Toby Mai

Put it one more time

I'm right on the edge
Feeling regret
And I just don't know
How my heart lets me go
Baby, I apologize
'Cause this ain't
This ain't enough, trust me I know

Baby, I'm wrong
But you feel so right
My baby's at home
She's sleeping tight
And she'll never know
That you feel so right
Oh baby, I'm wrong, hmm

Baby, I'm wrong
Caught in your love, mmh
No one will save me darling
Take these chains off, I know
Something I know

I know you hurting
And I know this ain't enough

Baby, I'm wrong
But you feel so right
My baby's at home
She's sleeping tight
She'll never know
But you feel so right
Oh baby, I'm wrong

Oh-ah-ah
