

NO ISSUES

Toby Mai

I don't wanna miss you
But, baby, I miss you
No light, when I'm with you
And that's no issue
No issues
No
No issues

Baby, you're no fucking issue
Girl, you're no issue

Fuck fame, baby, fuck love
If you wanna fuck some
You know that I'm up late
You know that I'm up late
Got a lot on my plate
Let me flip you sideways
Show you 'round to my place
Look
Do what I say
21, but I'll show you all the right ways
Fuck you right here

Think that I care?
Baby, say a couple words, and I'll be right there

I don't wanna miss you
But, baby, I miss you
No light, when I'm with you
And that's no issue
No issues
No
No issues

Baby, you're no fucking issue
Girl, you're no issue

See the check
Got your Uber, girl. That's no issues
I'm really tryna take it to the snow with you
Really tryna blow funds
If you wanna throw some
Baby, get down. We can roll up
Never sober
I can show what it's like to give no fucks

Think that I care?
Baby, right here
Just say the damn word. I'll be right there

No issues
No
No issues

Baby, you're no fucking issue
Girl, you're no issue

Girl, you're no fucking issue
Girl, you're no
Girl, you're no
No issue to me
