

# Beyond Me

TobyMac

Call it a reason to retreat  
I got some dreams that are bigger than me  
I might be outmatched, outsized, the underdog in the fight of my life  
Is it so crazy to believe

That You gave me the stars, put them out of my reach  
Called me to waters a little too deep  
Oh, I've never been so aware of my need  
You keep on making me see  
It's way beyond me  
It's way beyond me  
Yeah, it's out of my league  
It's way beyond me  
It's way beyond me  
It's way beyond

Anything that I got the strength to do  
In over my head keeps me countin' on You  
I'm leaving the sweet spot, sure shot  
Tradin' it all for the plans You got  
Is it so crazy to believe

That You gave me the stars, put them out of my reach  
Called me to waters a little too deep  
Oh, I've never been so aware of my need  
Yeah, you keep on making me see  
It's way beyond me  
It's way beyond me  
Yeah, it's out of my league  
It's way beyond me  
It's way beyond me

You take me to the place where I know I need You  
Straight to the depths that I can't handle on my own  
And Lord I know, I know I need You  
So take me to Your great  
Take me to Your great unknown

It's way beyond me, w-way beyond me  
It-it's way beyond me, w-w-way beyond me

Yeah, You gave me the stars, put them out of my reach  
Called me to waters just a little too deep  
Oh, I've never been so aware of my need  
Yeah, you keep on making me see  
It's way beyond me (it's way beyond me)  
It's way beyond me (it's way beyond me)  
Yeah, it's out of my league (it's way beyond me)  
It's way beyond me (it's way beyond me)  
It's way beyond me (it's way beyond me)  
It's way beyond me

You take me to the place where I know I need You  
Straight to the depths that I can't handle on my own (it's way beyond me)  
You take me to the place where I know I need You  
Oh take me to Your place  
Take me to Your great unknown
