

# Christmas This Year

TobyMac

As fall rides off in the sunset  
I sweep the snow from my doorstep  
I just can't help but stop and grin  
It's like I'm ten years old again  
And everywhere I go I can feel it  
Some say it moves like a spirit

It falls on us once a year  
Like it came on a midnight clear  
It's all love the season is a gift  
When love came down to let us live  
Let's open up and let our hearts embrace this moment

For Christmas this year  
Gonna make a sound gonna make it loud  
For Christmas this year  
We're gonna make some noise let the world rejoice  
For Christmas this year  
For Christmas  
For Christmas this year

The laughter starts  
Before the sunrise  
I sneak downstairs to sparkling eyes  
And oh what joy it brings to me  
Our family around our Christmas tree  
And I thank the Lord for his favor  
As we sing the songs of the Savior (our Savior)

It's all love the season is a gift  
When love came down to let us live  
Let's open up and let our hearts embrace this moment

For Christmas this year  
Gonna make a sound gonna make it loud  
For Christmas this year  
We're gonna make some noise let the world rejoice  
For Christmas this year  
For Christmas  
For Christmas this year

Holy Holy holy  
God is coming near  
Unto us a Savior's born  
On a midnight clear

Holy Holy holy  
God is coming near  
Unto us a Savior's born  
On a midnight clear

Oh For Christmas this year  
Gonna make a sound gonna make it loud  
We're gonna make some noise let the world rejoice  
For Christmas this year  
For Christmas  
For Christmas this year

For Christmas this year  
Gonna make a sound gonna make it loud  
For Christmas this year  
We're gonna make some noise let the world rejoice  
For Christmas this year  
For Christmas  
For Christmas this year

Holy Holy holy  
God is coming near  
Unto us a Savior's born  
On a midnight clear
