

Feel It

TobyMac

Funktify

C'mon

'bout to do it like this

'bout to do it like this

1-2-3-4

When I sit back and imagine

Life without you, I can't fathom

How I ever thought I'd make it on my own

And there's at least a million reasons

I'm still standing here believin'

You're my comfort, you're my healin'

This I know (this I know)

Well, you can't see the wind, but it moves the leaves

From the bottom to the top of the tallest trees

You are everything I will ever need

And they can't take that from me

Oh, I feel it in my heart

I feel it in my soul

That's how I know

You take our brokenness and make us beautiful

Yeah, that's how I know (can't take that from me)

Love came crashin' in

Never gonna be the same again

Yeah, You came crashing in

You wrecked me, You wrecked me

Everybody talkin' like they need some proof

But what more do I need than to feel you

Everybody talkin' like they need some proof

But what more do I need than to feel you

When I sit back and imagine

Life without you, I can't fathom

How I ever thought I'd make it on my own

And there's at least a million reasons

I'm still standing here believin'

You're my comfort, you're my healin'

This I know (this I know)

Well, you can't see the wind, but it moves the leaves

From the bottom to the top of the tallest trees

You are everything I will ever need

And they can't take that from me

Oh, I feel it in my heart

I feel it in my soul

That's how I know

You take our brokenness and make us beautiful

Yeah, that's how I know (can't take that from me)

Love came crashin' in

Never gonna be the same again

Yeah, you came crashing in

You wrecked me, you wrecked me

That's how I know
That's how I know
That's how I know
That's how I know

Oh, I feel it in my heart
I feel it in my soul
That's how I know
You take our brokenness and make us beautiful
Yeah, that's how I know (can't take that from me)

Everybody talkin' like they need some proof
