

# Life On It

TobyMac

Everybody needs somebody  
Don't try and fake the folly  
Anytime it cuts we all bleed  
Everybody got the same needs

I'm standing on the hill I'd die on  
So let me go and get my fight on  
Down to my final heartbeat  
Nobody gonna take what I believe

I never thought for a second  
When I asked You to save me  
That I'd ever be steppin'  
Into the waves that would take me  
To the valleys we've crawled  
Or the peaks that we've run  
From the blessings poured out  
To me losin' my son  
You're my way and my truth  
I'm a disciple of You  
Through the highs and the lows  
My heart will always stay true  
They could put me in chains  
They could lock me away  
They would slay me in vain  
I will always remain

I'll put my life on it (I'll put my life on it, I'll put my life on it)  
Willing to die for it (Willing to die for it)  
No matter what they say  
If I ever go M.I.A  
They took my life for it (They took my life for it)  
I'll put my life on it (I'll put my life on it)

I'll put my life on it

I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for  
I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for

I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for  
I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for

You, ooh-ooh, ooh-ooh  
You, ooh-ooh, ooh-ooh  
You, ooh-ooh, ooh-ooh

Everybody needs somebody  
Don't try to fake the folly  
Anytime it cuts we all bleed

Everybody got the same needs

I'm standing on the hill I'd die on  
So let me go and get my fight on  
Down to my final heartbeat  
Nobody gonna take what I believe

I'm tryna make my life about His business  
God is in control I'm just a witness  
Yeah that might just put me on a hit list  
Now I'm the one outside that's lookin' different  
So why you wanna change my world view (why, why)  
I ain't sittin' high and judging you  
Ain't everybody sticking to their truth OK  
I'll stick to mine like I've been freaking glued (Hey)

I'll put my life on it (I'll put my life on it, I'll put my life on it)  
I'll put my life on it  
Willing to die for it (Willing to die for it)  
Willing to die for it  
No matter what they say  
If I ever go MIA  
They took my life for it (They took my life for it)  
They took my life for it

I'll put my life on it  
I'll put my life on it (I'll put my life on it)  
I'll put my life on it  
I'll put my life on it

I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for You  
I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for You

I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for You  
I'd rather live for somethin' than to die for nothin'  
I'mma live for somethin'  
I'mma live for You

You, ooh-ooh, ooh-ooh  
You, ooh-ooh, ooh-ooh  
You, ooh-ooh, ooh-ooh

My Lord, I'm gonna live for You
