

# Mysterious Ways

TobyMac

Johnny, take a walk with your sister the moon  
Let her pale light in to fill up your room  
You've been livin' underground, eatin' from a can  
You've been runnin' away from what you don't understand

She's sloppy, you're slidin' down (She's sloppy)  
She'll be there when you hit the ground

It's alright, it's alright, it's alright  
She moves in mysterious ways  
It's alright, it's alright, it's alright  
She moves in mysterious ways, ayy

Hey  
Hey, yeah-eah

Johnny, take a dive with your sister in the rain  
Let her talk about things you can't explain  
To touch is to heal, to hurt is to steal  
If you wanna kiss the sky, better learn how to kneel  
On your knees, boy!

She's the wave (She's the wave), she turns the tide (She turns the tide)  
She sees the man inside the child

It's alright, it's alright, it's alright  
She moves in mysterious ways, yeah  
It's alright, it's alright, it's alright  
Spirit moves in mysterious ways, yeah, uh  
It's alright, It's alright, alright  
Lift my days, light up my nights, oh

It's alright, it's alright, it's alright  
Mysterious are the ways

One day you'll look back and you'll see  
Where you were held, held by this love  
While you could stand there  
You could move on this moment  
Follow this feelin'

It's alright, it's alright, it's alright  
She moves in mysterious ways  
It's alright, it's alright, it's alright  
She moves in mysterious ways  
It's alright, it's alright, it's alright  
Spirit moves in mysterious ways, yeah, uh  
It's alright, It's alright, alright  
Lift my days, light up my nights, oh

Move me, move me, move me, move me, move me
