

This Is Not A Test

TobyMac

Fell out of the sky
Hit the ground runnin'
The future is tonight
They'll never see us comin'
Takin' by this urgency
Won't let this moment pass
The Kingdom is alive
We're steppin' on the gas

We're checkin' in, so check it out
We're droppin' in
There ain't no stopping us now

We've only got one shot
Gonna to take it now
Goin' all in, gonna make it count
Won't look back, gonna set my eyes
'Cause there ain't no practice runs in life

This is not a, this is not a test
This is the real thing
This is not a, this is not a test
This is the real thing
We gonna go til we got nothin' left
This is the real thing
This is not a, this is not a, this is not a test
This is not a test
This is not a test

We're checkin' in, so check it out
We're droppin' in
There ain't no stopping us now

We're breathin' in, we're breathin' out
We're droppin' in
There ain't no stoppin', stoppin' us now

We've only got one shot
Gonna to take it now
Goin' all in, gonna make it count
Won't look back, gonna set my eyes
'Cause there ain't no practice runs in life

This is life...

So don't get left behind

This is not a, this is not a test
This is the real thing
This is not a, this is not a test
This is the real thing
We gonna go til we got nothin' left
This is the real thing
This is not a, this is not a, this is not a test
This is not a test
This is not a test

We gonna move, live every second
Make it count for you
We gonna move, live every second
Make it count for you
(This is not a test)
We gonna move, live every second
Make it count for you
