

# Til The Day I Die

TobyMac

I'll keep swingin' for the fences  
It's like this heart is defenseless  
Against the passion that's pumpin' through my veins  
Blood, sweat, tears, it's a callin'  
And if I can't walk, then I'm crawlin'  
It might flicker, but they can't kill the flame

I can't stop  
I can't quit  
It's in my heart  
It's on my lips  
I can't stop, no  
I can't quit  
It's in my heart, yeah  
I'm all in

'Til the wheels fall off  
'Til the spotlight fades  
I will lift your banner high  
I will lift your banner high  
And 'til the walls crash in  
For the rest of my days  
I'll lay it all on the line  
'Til the day I die  
'Til the day I die  
'Til the end of the line  
'Til the day I die  
It's Your name I'll glorify

It's runnin' deeper than the ocean  
This ain't religion, it's devotion  
Three six five, every minute, every day  
So in the middle of the madness  
They can stretch me out like canvas  
But I ain't ever gonna fit in their frame

I can't stop  
I can't quit  
It's in my heart  
It's on my lips  
I can't stop, no  
I can't quit  
It's in my heart, yeah  
I'm all in

'Til the wheels fall off  
'Til the spotlight fades  
I will lift your banner high  
Lord, I'll lift your banner high  
And 'til the walls crash in  
For the rest of my days  
I'll lay it all on the line  
'Til the day I die  
'Til the day I die  
'Til the end of the line  
'Til the day I die  
It's Your name I'll glorify

'Til I die and they put me in the coffin  
Don't matter if I'm on the road or if I'm recordin'  
Tell me what you think about me, that really ain't important  
You know I'mma represent um, I ain't playin', can't afford to  
I only got one life and I get it though  
And this is not an act, not a movie, not a TV show  
I don't know what quittin' means, I don't ever take it slow  
You know I'm on the grind, me and Toby in the studio  
Do it for the King, what you know about that?  
Say you goin' harder, mmm I doubt that  
You say you doin' work, but you're asking where the couch at  
How you doin' work when you asking where the couch at?  
God is not a crutch, you can use Him when you wanna  
You only look to heaven when you goin' through some drama  
And when they goin' through some problems and that's the only time they call  
Him  
I guess I don't understand that life, wonder why?  
'Cause I'm all in  
'Til the day I die

'Til the wheels fall off  
'Til the spotlight fades  
I will lift your banner high  
Lord I'll lift your banner high  
And 'til the walls crash in  
For the rest of my days  
I'll lay it all on the line  
'Til the day I die  
'Til the day I die  
'Til the end of the line  
'Til the day I die  
'Til the day I die  
'Til the end of the line
