Silver Tongue

Today Is The Day

A storm is rising can't you sense it what are you gonna do what she would say when your house burns down on your judgement day after and after after the laughter words won't mean shit I'll plead with you I'll beg for you I'll steal for you I'll plead with you looking down on me l ocking down on me licking down on me I'm alright I'm just drunk fuck it man tell lies anything.
