

Sleep Well

Todd Agnew

It's okay little one
Don't dissmy little one
You just a babe
How can you be trampling
It's alright little one
He's come tonight little one
The one that you and the world have been waiting for

Sleep well
Sweet dreams
You need your rest
or so it seems
Sleep well
Come what may
For God has come
And you must prepare the way

It's alright little one
Don't you cry little one
You the delight of the blind and the barren
It's okay little one
He's come today little child
Enjoy the peace
It may be the calm before the storm

So sleep well
Sweet dreams
You need your rest
or so it seems
Come what may
For God has come
And you must prepare the way

Messiah has come to save the world
And he has chosen our place in time
God has given us his son
but why must ask me for my...

Sleep well
Sweet dreams
You need your rest
or so it seems
Sleep well
come what may
for God has come
and you must prepare the way
