Dance In The Rain (Jump And Dance)

Todd Dulaney

There's a river running
And it never will run dry
Lord, rain
Lord, rain
The floodgates are open
And it never will run dry
Lord, rain
Lord, rain

Release Your favor Lord, let it rain on me
Release Your power Lord, let it rain on me
Release Your glory Lord, let it rain on me
Let it rain, let it rain

There's a river running
And it never will run dry
Lord, rain
Lord, rain
The floodgates are open
And it never will run dry
Lord, rain
Lord, rain

Release Your favor Lord, let it rain on me
Release Your power Lord, let it rain on me
Release Your glory Lord, let it rain on me
Let it rain, let it rain

Jump and dance in the rain [x6]

Release Your favor Lord, let it rain on me
Release Your power Lord, let it rain on me
Release Your glory Lord, let it rain on me
Let it rain, let it rain
