

Fall In Love Again

Todd Dulaney

I'ma teach you your parte, alright
Your line is: Fall in love again
That's your line, okay
Every time I think of all the ways that you've made
I (fall in love again) wow

Every time I think of all the ways that you've made
I (fall in love again), ah
And when I think that all is lost
You always know what to say
And I (fall in love again)
You make it look so easy
The way you never let us slip through your hands, ey
You make my heart keep seeking
'Cause it feels good to know I'm a part of your plan, yes

And I am more in love with you each day
(Every time I)
Every time I think of all the ways that you've made I
Fall in love again
And when it feels like all is lost You always know what to say
I fall in love again
(You are the great crea-)
You are the great creator
(And you formed it all by)
Formed it all by speaking your word
(Yes you're God, yes you're King)
(You're the perfect healer, oh God)
Yes you're the perfect healer
(And I can always count)
And I can always count on you to be there
(Oh my goodness, I grow more and more in love with you everyday, oh Lord)
And I am more in love with you each day

(Every time I think)
Every time I think of all the ways that you've made
I fall in love again
(And when it feels like all is lost)
And when it feels like all is lost you always know what to say
(I fall in love again)
I fall in love again
(Sing again)
(Every time I think of all)
Every time I think of all the ways that you've made
I fall in love again
(I hear you loud, come on)
(And when it feels like all is lost)
And when it feels like all is lost you always know what to say
I fall in love again
(And let me know if you feel like this)

It felt, felt
Every day I fall in love with you Jesus, oh
It gets stronger and stronger
Every day I fall in love with you Jesus, yeah
Come on, sing it
We know it gets

Better, better
Every day I fall in love with you Jesus
Come on, come on it's just another love song to your King
And it gets stronger every day
Stronger, stronger
Every day I fall in love with you Jesus
Come on, it gets better and better
Better and better
Every day I fall in love with you Jesus
Yeah, yeah, oh
Stronger, stronger
Every day I fall in love with you Jesus
Ey
Better and better
Every day I fall in love with you Jesus
Deeper than ever, yeah
Stronger, stronger
Every day I fall in love with you Jesus
I can't help it, I'm in love with the King
So we say
Jesus, Jesus
Every day I fall in love with you Jesus
I'm deeper in love with you Jesus, your glory
We can us lead now
Jesus, Jesus
Every day I fall in love with you Jesus
Hey

Come on, clap your hands in the room, wooh
