Fall On Us

Todd Dulaney

Fresh anointing fall on me
I heard how the old church used to be
I wanna see revival in this world today

Fresh anointing fall on me
I heard how the old church used to be
I wanna see revival in this world today

We wanna see your glory
Yes God
Let it fall like rain
Mmmmmm
We wanna feel your power
Let it fill this place

(Say fresh anointing fall on)
Fresh anointing fall on me
I heard how the old church used to be (yeah-yeh)
I wanna see revival in this world today
(A little bit louder sing it)
Fresh anointing fall on me (ehhhh)
I heard how the old church used to be (ohhhhh)
I wanna see revival in this world today

(Every voice lift it high say)
We wanna see your glory
(That's what long for,
Say let it fall like rain)
Let it fall like rain
(We wanna feel your power)
We wanna feel your power
(oh fall in the atmosphere)
Let it fill this place

(Wohhh we wanna)
We wanna see your glory
Yes God
(Say let it fall like rain)
Let it fall like rain
(Say we wanna feel your power)
We wanna feel your power
(Oh lord we nees more of you)
Let it fill this place
(Oh my, Oh my God)

We long to see your glory
We live to see your power
Fall on us
Fall on us

We long to see your glory
We live to see your power
Fall on us

We long to see your glory
We live to see your power
