Whatever You say, Lord
I'm yielding
And if You say to speak, Lord
It's spoken
If You say to go, Lord
I'm going
Just let me hear Your voice, God
And I'll listen

Yes I'll listen, listen
Just keep me in position to hear You
I won't ask a question
I'll just do
Just let me hear Your voice, God
And I'll listen

If You say to move, Lord
I'm moving
However You tell me to
I'll do it
Just give me a command
And I'll follow
Just let me hear Your voice, God
And I'll listen

Yes I'll listen, listen
Keep me in position to hear You
I won't ask a question
I'll just do
Just let me hear Your voice, God
And I'll listen

Yes I'll listen, listen
Keep me in position to hear You
I won't ask a question
I'll just do
Just let me hear Your voice, God
And I'll listen

Just let me hear Your voice, God
And I'll listen
Just let me hear Your voice, God
And I'll listen
Just let me hear Your voice, God
And I'll listen

Yes I will
Yes I will
Yes I will
Yes I will
God I'll go
I'll go
Send me, Lord
And I'll go

Yes I will
Yes I will

Yes I will
Yes I will

Yes I will
Yes I will
Yes I will
Yes I will

Yes
Yes
Yes I will
Yes I will

Yes
Yes
Yes I will
Yes I will

If You ask me, Lord
My answer will be yes!
