

My Weapon

Todd Dulaney

Every time I clap my hands
Every time I lift my voice
Every time I call Your name
It's an attack on the enemy

So let's wage war right now

My praise is my weapon tonight
My praise is my weapon tonight

Every time I clap my hands
Every time I lift my voice
Every time I call Your name
It's an attack on the enemy

So let's wage war right now

My praise is my weapon tonight
My praise is my weapon tonight
My praise is my weapon tonight
My praise is my weapon tonight

I will use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy

I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon

I'll use my weapon
I'll use my weapon
I'll use my weapon
I'll use my weapon

I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon

I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon and confuse the enemy
I'll use my weapon

For the weapons of our warfare are not carnal
But they're mighty in the Lord
For the weapons of our warfare are not carnal
But they're mighty in the Lord

For the weapons of our warfare are not carnal
But they're mighty in the Lord
For the weapons of our warfare are not carnal
But they're mighty in the Lord

We are mighty in the Lord

We are mighty in the Lord
We are mighty in the Lord
We are mighty in the Lord
We are mighty in the Lord

We are mighty in the Lord
We are mighty in the Lord
We are mighty in the Lord
We are mighty in the Lord

For the weapons of our warfare are not carnal
But they're mighty in the Lord
For the weapons of our warfare are not carnal
But they're mighty in the Lord

We are mighty in the Lord
We are mighty in the Lord
We are mighty in the Lord
We are mighty in the Lord

So, I will use my weapon tonight
My praises's my weapon
Oh, Lord
Open up your mouth and just release the praise now
Open up your mouth and release the praise

There's something about that sound, it's so sweet
We pulled on the coattail of our Savior, so sweet in the room oh, God
We pulled on the coattail of our Savior, it's so sweet, God

In the room, oh God, Jesus
It's so sweet when you call Him
In the room, oh God
Raise up your voice in the sanctuary

Raise up, raise up, raise up now
