

# No Weapon

Todd Dulaney

Through the fire  
Through the flood  
Through the valley  
Through the mud  
I won't worry  
I won't Fear

No weapon formed against me shall prosper  
No weapon formed against me shall prosper

Through the fire  
Through the flood  
Through the valley  
Through the mud  
I won't worry  
I won't Fear

No weapon formed against me shall prosper  
No weapon formed against me shall prosper

And when I think that I can't make it  
I'm reminded You won't fail  
And when I think that I can't take it  
I'm reminded You are Good

No weapon formed against me shall prosper  
No weapon formed against me shall prosper

No weapon formed against me shall prosper  
No weapon formed against me shall prosper

It won't work  
It won't work  
It won't work
