Todd Dulaney

It must sound like victory in here
1, 2, 3
Say He sits upon the throne
(Sits up on the throne)
(Sits up on the throne)
He sits up on high
(Sits up on the throne)
Sits up sits upon

(Sits up on the throne)
My King sits up on High
(Sits up on the throne)
My king sits up on high
(Sits up on the throne)
My king sit up on high
(Sits up on the throne)
Sits on high oh God
(Sits upon the throne)
