

# Stand Forever

Todd Dulaney

We won't keep quiet  
We won't be ashamed  
We'll keep confessing  
Jesus you reign  
No matter how long  
We'll keep on praying Thee  
Nothing can stop you  
You will remain always

You stand forever  
Stand forever  
Stand forever  
Stand forever

We won't keep quiet  
We won't be ashamed  
We'll keep confessing  
Jesus you reign  
No matter how long  
We'll keep on praying Thee  
Nothing can stop you  
You will remain always

You stand forever  
Stand forever  
Stand forever  
Stand forever

We won't stop  
Calling your name, calling your name  
We won't quit  
Seeking your face, seeking your face

We want you, we want you, we want you [x4]

You stand forever  
Stand forever  
Stand forever  
Stand forever

We won't stop  
Calling your name, calling your name  
We won't quit  
Seeking your face, seeking your face

We want you, we want you, we want you [x4]

Stand forever, Jesus  
You stand forever  
Stand forever
