

Down with the Ship

Todd Rundgren

We're going down with the ship
We're going down down down down with the ship
It's all for one and one for all yeah
We're going down with the ship

Out on the Indian Ocean with a pirate crew
We be twenty-seven days out of Mogadishu
Now they something gone wrong
We got red skies at dawn
Can't find the captain and the lifeboat's gone

We're going down with the ship
We're going down down down down with the ship
It's all for one and one for all yeah
We're going down with the ship

We're going down with the ship
We're going down down down down with the ship
It's all for one and one for all yeah
We're going down with the ship

Here we come Davy Jones
Here we come
Here we come Davy Jones
Look out below

Here we come Davy Jones
Here we come
Here we come Davy Jones
Look out below

Now the sea is a-rockin' like an angry bitch
We be leakin' like a sieve and we run out of pitch
Now we prayin' to the lawd
How long we stay afloat
Wit a tree meter hole in the bottom of the boat

We're going down with the ship
We're going down down down down with the ship
It's all for one and one for all yeah
We're going down with the ship

Look out below

We're going down with the ship
We're going down down down down with the ship
It's all for one and one for all yeah
We're going down with the ship

Look out below

It's all for one and one for all yeah
We're going down with the ship
