

# I Got Your Back

Todd Rundgren

Times as hard as I've ever seen  
Money gets scarce and people get mean  
You struggle to stay on own feet but then  
You fall down, you sometimes don't get up again

A brother in need is a brother indeed  
The naked to cloth and the hungry to feed  
The garden is barren but I'll plant a seed

(I got your back)  
Pull you out of the gutter and off of the street  
(I got your back)  
You get the food off my plate, the shoes off my feet  
(I got your back)

A brother in need is a brother indeed  
The naked to cloth and the hungry to feed  
The garden is barren but I'll plant a seed

A brother in need is a brother indeed  
(I got your back)

(I got your back)  
The garden is barren but I'll plant a seed
