Love Is The Answer

Todd Rundgren

Name your price A ticket to paradise I can't stay here any more And I've looked high and low I've been from shore to shore to shore If there's a short cut I'd have found it But there's no easy way around it

Light of the world, shine on me Love is the answer Shine on us all, set us free Love is the answer

Who knows why Someday we all must die Were all homeless boys and girls And we are never heard It's such a lonely world People turn their heads and walk on by Tell me, is it worth just another try?

Tell me, are we alive, or just a dying planet? What are the chances? Ask the man in your heart for the answers

And when you feel afraid, love one another When you've lost your way, love one another When you're all alone, love one another When you're far from home, love one another When you're down and out, love one another All your hopes run out, love one another When you need a friend, love one another When you're near the end, love one another We got to love one another

Light of the world, you got to shine Love will be a means, yeah, yeah Shine on us all Know that love can save the day Just give it one more chance Lord you just cant let it stop lord Love is the answer Got to be free to let love into your life Let it shine
