

# Serious

Todd Rundgren

I like a laugh  
I like my fun  
You cross the line  
You better run  
If you're inclined  
To laugh of this  
Soon you will find out  
Where that line is

I tried to play the nice guy  
You had to be a wise guy  
I should just let it pass by  
But now it's daddy time

Serious  
Serious as I can be  
Serious  
Better call the cops on me  
Serious  
I'm about to chain react  
Because I'm serious  
As a heart attack

You're on the edge  
Of trouble now  
You have offended  
My sacred cow  
You shall receive  
What you deserve  
Since you been dancing  
On my last nerve

I should try to ignore you  
There's really no cure for you  
But once again you're out of line  
Now it's daddy time

You know I'm  
Serious  
You made a fool outta me  
Serious  
Now I'm counting up to three  
Serious  
Your lame excuses don't mean jack  
Cause I'm serious  
As a heart attack

Serious  
Serious as I can be  
Serious  
Better call the cops on me  
Serious  
I'm about to chain react  
Because I'm serious  
As a heart attack

Serious

When you made a fool outta me  
Serious  
I'm already count to three  
Serious  
Your lame excuses don't mean jack  
Because I'm, because I'm, because I'm

Serious  
Serious as I can be  
Serious  
Somebody call the cops on me  
Serious  
I'm about, I'm about to chain react  
Because I'm serious  
As a heart attack
