

# Slut

Todd Rundgren

See that girl, watch her dance  
If I knew her name I wouldn't have to sit on my hands  
If my mouth don't work I get some help  
And she don't mind if I don't keep my hands to myself

(You're all right)  
(You put up such a good clean fight)  
(I'm afraid that you lose tonight)

S - l - u - t  
She may be a slut but she looks good to me  
S - l - u - t  
She may be a slut but she looks good to me

You're so clean, so refined  
You don't care to get messy just to have a good time  
She's got saggy thighs and baggy eyes  
But she loves me in a way I can still recognize

(You're all right)  
(You put up such a good clean fight)  
(I'm afraid that you lose tonight)
