

It was bad enough before the circus came  
When the local shrew thought that she had a brain  
Now we all got to listen to that dog face bark  
Like she's a god damned Einstein of the trailer park

Your mama done raised a knucklehead  
Your mama done raised a fool  
Your mama should have closed her legs instead of  
Breeding a loudmouthed clown like you

(Shut up, liar) the stuff you say  
(Shut up, liar) the stuff you do  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
(Shut up, liar) the stuff you play  
(Shut up, liar) the stuff you spew  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
Shut the fuck up

It was bad enough before they bred that chimp  
Any stupid theory about why he goes limp  
Now we all got to listen to that assbag blow  
Like some kind of white trash Michelangelo

Your daddy gotta be ecstatic  
Your daddy gotta be so proud  
Your daddy only wanted a little prick  
To holler at this quiet herd out loud

(Shut up, liar) the stuff you say  
(Shut up, liar) the stuff you do  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
(Shut up, liar) the stuff you play  
(Shut up, liar) the stuff you spew  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
Shut the fuck up

Your mama done raised a knucklehead  
Your mama done raised a fool  
Your mama should have closed her legs instead of  
Breeding a loudmouthed clown like you

(Shut up, liar) the stuff you say  
(Shut up, liar) the stuff you do  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
(Shut up, liar) the stuff you play  
(Shut up, liar) the stuff you spew  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
Shut the fuck up

(Shut up, liar) the stuff you say  
(Shut up, liar) the stuff you do

(Shut up, liar) stuff you, stuff you  
Shut the fuck up  
(Shut up, liar) the stuff you play  
(Shut up, liar) the stuff you spew  
(Shut up, liar) stuff you, stuff you  
Shut the fuck up
