Hey baby, lets rock and roll
It's all right if you lose control
Everybody's trying to get their kicks
Living in 3-7-2-0-6
I said 3-7-2-0-6
Everybody's trying to get their kicks
It's all right if you lose control
I said, hey baby, let's rock and roll

All right mamma, let's shoot off the roof
The whole neighborhood's bulletproof
It's going down like a half ton of bricks
3-7-2-0-6
I said 3-7-2-0-6
Everybody trying to get their kicks
Either way you wanna take your pick
I said, I got the t-shirt and the bumper sticker
