

Easy

Todd Snider

You walk into a party and everybody turns your way
They hang on every word you say
Don't they, baby?

You come out on the winning side of every single chance you take
And somehow you make it look easy
You make it look easy
You make it look easy
You make it look easy
Oh, you know it's true, you do
You make it look so easy

I find a way to fall all over almost every step I take
I'm a walkin' financial mistake
Ain't I, honey?

I wish that I could do like you and find a way to raise my stakes
You make lucky breaks look easy
You make 'em look easy
You make 'em look easy
You make 'em look easy
Oh, you know it's true, you do
You make it look easy

La la la la...
La la la la la dee dah
You make 'em look easy
You make 'em look easy
You make 'em look easy
You make 'em look easy
You make 'em look easy
You make 'em look easy, easy
