

## Once He Finds Us

Todd Snider

I don't know how I found Jesus  
I don't care, now he's in my heart  
And once he finds us, he never leaves us  
No matter how far we fall apart

I used to wonder what I was missing  
I used to think that I was missing things  
Now the words of calmer voices  
They sound like angels bowing strings

He was there when nobody else was  
He was there when the work was thin  
He was there when my father left us  
So I am here now to work for him

I don't know how I found Jesus  
But I don't care, now I don't care 'cause he's in my heart  
And once he finds us, he never leaves us  
No matter how far we fall apart

I don't know how I found Jesus  
I don't care, now he's in my heart  
And once he finds us, he never leaves us  
No matter how far we all fall apart

Come together now  
I don't know how I found Jesus  
I don't care, now he's in my heart  
And once he finds us, he never leaves us  
No matter how far we all fall apart
