

The Resignation vs. The Comeback Special

Todd Snider

I'm stepping down
(That's right you dumb motherfuckers, he's stepping down)
From my position
(You heard me right motherfucker, I said he's stepping down)
I'm stepping down
(Okay, alright then let's just say he's stepping down)

I'm stepping down from my position
I believe my talents would be better served in a more conducive situation
I cannot succeed the way that I need to under the glare of all these suspicions
And I will not stand here and listen to any more of these wild accusations

I'm stepping down
(He don't have to listen to these wild accusations)
I'm stepping down
(He can't succeed under the glare of these suspicions)
I'm stepping down
(His talents would be better served in a more conducive situation)

I'm stepping down from my position
Because I believe I would be leaving myself open to even further defamation
And complications and misdirections and obstructions and confrontations
And while I will fulfill my obligation to assist in the transition

I'm stepping down
Yeah I'm stepping down
Yeah I'm stepping down
I'm stepping down
I'm stepping down

Wait
Wait
Wait
Wait
Wait

I'm making a comeback
I'm making a comeback
I'm making a comeback
I'm making a comeback
I'm making a comeback

I'm making a comeback
