Well I've been sitting here all night long,  
And I've been singing to every song.  
I ain't asked for nothing yet,  
Now all I'm asking is one request  
Turn it up  
Turn it up

Draw a crowd I could crawl into,  
You don't know what I've been through.  
Turn it up, I don't want to hear what I'm thinking  
tonight.  
I let my woman move in last fall,  
Now she don't ever let me touch her at all.  
She's been picking at me all day,  
I came here to get out of her way.  
Turn it up  
Turn it up

I think that woman might of lost her mind,  
Someday I'm I'm afraid she's gonna cross the line.  
Turn it up, I don't wanna hear what I'm thinking  
tonight.  
Well I've been walking on eggshells baby,  
I've been losing my mind.  
She's been driving me to drinking lately,  
I'm drinking all the time.

Turn it up  
Well I've been fighting these angry mobs,  
Holding down a couple dead-end jobs.  
Well they can sure keep me down alright,  
They can't keep me from rocking tonight.

Turn it up, boy  
Turn it up  
Draw a crowd I can crawl into,  
I'm afraid of what I might do.

Turn it up, I don't wanna hear what I'm thinking  
tonight.
