

Will There Be Any

Todd Snider

Will there be any up in heaven?
Will there be any I've got to know (I've got to know)
Will there be any up in heaven?
Lord, before I go I've got to know (I've got to know)

Well, we're on our last legs as you can clearly see, Lord
So we're down to the bendin' end, as they say
So we just wanted to check out, and find out, if everything's g
onna be in the middle
No too far, not too short, not too big
Not too early but right on time
Is everything gonna be right up there

Will there be any up in heaven?
Will there be any I've got to know (I've got to know)
Will there be any up in heaven?
Lord, before I go I've got to know (I've got to know)

If everything's going to be up there
