

4 High School Musical

Todrick Hall

Wildcats, sing along
Yeah, you really got it going on
Wildcats in the house
Everybody say it now
Wildcats, everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Time to show the world

What time is it?
Summertime! It's our vacation!
What time is it?
Party time!
School's out, scream and shout!

Getting ready for the night of nights
The night of nights, alright
It's gonna be a night (Oh yeah)
To remember (That's for sure)
Come on now
Big fun (alright)
It's going to be the night (Here tonight)
To last forever (For evermore)
We'll never, ever, ever forget

Living in my own world, didn't understand
That anything can happen, when you take a chance
I know that something has changed
Never felt this way
And right here, tonight
This could be the start of something new
It feels so right to be here with you, oh
And now, looking in your eyes
I feel in my heart (I feel in my heart)
The start of something new

It's hard to believe that I couldn't see
You were always there beside me
Thought I was alone, with no one to hold
But you were always right beside me
This feeling's like no other
I want you to know
I've never had someone that knows me like you do
The way you do
So lonely before I finally found what I've been looking for

I want it, I, I, I want it, want it
I want it, I, I, I want it all
I want it, I, I, I want it, want it
The fame and the fortune and more
I want the world, nothing less
All the glam and the press
Only giving me the best reviews
I want it

Fabulous, that is my simple request

Fabulous, bigger and better and best
I need something inspiring to help me get along
I need a little fabulous, is that so wrong?

This is the last time to get it right
Bet on it, bet on it
This is the last chance to make it our night
Bet on it, bet on it
We got to show what we're all about (Wildcats Everywhere)
Bet on it, bet on it
Work together

You gotta get'cha, get'cha head in the game
We gotta get-a, get-a, get-a, get ahead in the game
(I don't dance)
You gotta get'cha, get'cha head in the game
We gotta get-a, get-a, get-a, get ahead in the game
(I know you can)
Work, work
To work this out
If I could do this, well, you could do that
But I don't dance

Na na na na
Na na na na yeah
You are the music in me
When I hear my favorite song
I know that we belong
You are the music in me
Yeah it's living in all of us
And it's brought us here because
You are the music in me

We're soarin', flying
There's not a star in heaven that we can't reach
If we're tryin', so we're breakin' free

Together, together, together everyone
Together, together, come on, let's have some fun

We're gonna bop, bop, bop, bop to the top
Wipe away your inhibitions
Stump, stump, stump, do the rump
And strut your stuff

We're all in this together
Once we know, that we are
We're all stars
And we see that
We're all in this together
And it shows, when we stand
Hand in hand
Make our dreams come

Wildcats, everywhere
Stick to the status quo
Wildcats, everywhere
It's now or never
Wildcats, everywhere
Bet on it, bet on it
That's the way we do it
Let's get to it
Come on, everyone
