

Yeah

When I walk in the room (what you do?)
I shut that motherfucker down down down
And when I bust out a move (bust)
They motherfuckin' jaws hit the ground ground ground
I ain't got nothing to prove (no)
They see me on the news in my home town town town
They couldn't keep a good girl down
Bitch look at me now now now
Ahhh

Zero (zero)
Sixty-nine
Mind your business, I'll mind mine
Got six-inch heels to strut nine inches
Bitch it's sissy time,
All my haters get in line
Got six-inch heels to strut nine inches
Sixty-nine

When I walk in the club (what you do?)
I get them heads spinnin' round round round
I know they lookin' at us (us)
Me and my girls we the talk of the town town town
I'm feelin' so scandalous (scandalous)
Everybody showin' booty and a leg leg leg
The old me is dead dead dead
You ain't seen nothin' yet yet yet

I went from zero (zero)
To sixty-nine
Mind your business, I'll mind mine
Got six-inch heels to strut nine inches
Bitch it's sissy time,
All my haters get in line
Got six-inch heels to strut nine inches
Sixty-nine

Yeah they call it a runway but a bitch never run
Yeah I'm one in a million I make millions just for one
If you a boss, bitch they mad
If they mad, get in line (they mad)
They don't stop at six figures,
They ain't gon' stop 'til it's nine

I went from zero (zero)
To sixty-nine
Mind your business, I'll mind mine
Got six-inch heels to strut nine inches
Bitch it's sissy time,
All my haters get in line
Got six-inch heels to strut nine inches
Sixty-nine
