

# Blue

Todrick Hall

You got me, you got me smiling and I don't know why  
But, I'm not gonna lie, you're my kinda guy (You're my kinda guy)  
And you got me waking up hoping that I got a text  
And my heart doesn't rest 'til I hear from you next

Well, I wasn't expecting it  
Took all my breath and hit  
Me like a ton of bricks

Out of the blue  
I got these feelings  
And you got me feeling  
Almost brand new  
And boy I'm all in  
And I don't mind fallin'  
If I'm fallin' for you  
Out of the, out of the blue for you  
If I'm fallin' for you  
Out of the, out of the blue for you  
Blue-oooh  
Blue-oooh

You got me writing our names with a heart in between  
Like I'm caught in a dream (Like I'm caught in a dream)  
Like we're seventeen (Like we're seventeen)  
And you got me texting eleven, eleven each night  
Which I may, which I might  
That I stay on your mind

Well is it too good to be true?  
Was my heart made for you?  
Is this what lovers do?

Out of the blue  
I got these feelings  
And you got me feeling  
Almost brand new  
And boy I'm all in  
And I don't mind fallin'  
If I'm fallin' for you  
Out of the, out of the blue for you  
If I'm fallin' for you  
Out of the, out of the blue for you

'Cause you got me seeing stars in the daytime  
Seeing rainbows at night  
So come on and put your loving on me like a tattoo  
I love how your hoodie smells  
Double XL but it's fitting me right  
So baby, darling if you're falling let me catch you

Out of the, out of the blue  
Out of the, out of the blue  
Out of the, out of the blue  
Out of the, out of the blue
