

Boys In The Ocean

Todrick Hall

All the tops are down and paradise is calling (Hello!)
I know they thinking I'm from Georgia with this speech (Damn!)
And all the tops are off, they sweating, volley balling (Balling)
And that bumper sticker says that life's a beach (Let's go)

So come on, come on, ride this H2Ollercoaster with me
And we can, we can take a trip and skinny dip in the deep end
So come on, come on, dive into my heart 'cause it's hella deep
And we gon', we gon' live a mermaid fantasy for the weekend

I'll take you where the sun just can't be hotter
No commotion, baby, let's escape the noise
I know you wanna kiss me underwater
In slow motion, baby, don't you know there's boys
In the ocean

(Don't you know)
Don't you know there's (Boys!)
In the ocean
(Don't you know)
Don't you know there's (Boys!)
In the ocean
(Don't you know)
Don't you know there's (Boys!)
In the ocean
(Don't you know)
Don't you know there's (Boys!)
In the ocean

All the daddies and their dogs are playing Frisbee (Uh huh)
So many surfer boys is tryna catch a wave (Hey)
And it's so hot, the soda pop is extra fizzy
And the dudes with the tattoos wanna misbehave (Okay)

So come on, come on, ride this H2Ollercoaster with me
And we can, we can take a trip and skinny dip in the deep end
So come on, come on, dive into my heart 'cause it's hella deep
And we gon', we gon' live a mermaid fantasy for the weekend

I'll take you where the sun just can't be hotter
No commotion, baby, let's escape the noise
I know you wanna kiss me underwater
In slow motion, baby, don't you know there's boys
In the ocean

(Don't you know)
Don't you know there's (Boys!)
In the ocean
(Don't you know)

(Don't you know there's boys in the ocean)

Oh oh

Don't you see their bodies glistening
They working out, social fitnessing
I'm not a lifeguard but I'm whistling
At boys in the ocean (Woo!)

Wondering if they're on my team
Their swagger is so enticing
They making me melt like ice-cream
Those boys in the ocean

(Don't you know)
Don't you know there's (Boys!)
In the ocean
(Don't you know)
Don't you know there's (Boys!)
In the ocean
(Don't you know)
Don't you know there's (Boys!)
In the ocean
