Boom  
Divas in the room  
Got too close with the camera  
Click zoom  
Spent 6 hours on my hair and my makeup  
Ready for the boys in their heels wit their cake up  
Blo-blo-blo-blouse  
Snatch that brow  
Heels to the ceiling  
Weave to the ground  
Dripping in diamonds  
Drenched in jewels  
We don't break heels  
We just break rules

Baby I love straight boys  
But I need a break

So I call my dolls  
For sweet escape  
Come scoop me up  
I'm at my place  
Now wait, lemme beat my face

And for a little more flare chew invisible gum

If they don't like who we be that's their own problem

Cause the world keeps spinning and the beat goes on  
Yeah I got that vaccine for your sticks and stones  
But we gon' keep on winning 'cause our love getting strong
