

Don't Stop

Todrick Hall

Oh, oh, baby
(Mhmm) Yo

I'm beginning to think you care when you say you care
And why you always showing up when you say you'll be there?
I know you know that love's a game, why you playing fair?
'Cause it's quite rare to have someone do it for me
What are you doing? 'Cause it's not fair
To those other lovers out there who think they got best
But you on a whole 'nother level, I'ma stop there
Stop there, 'cause I swear I don't know why you love me, but baby

Please, don't stop
Please, don't stop (Don't stop)
Please, don't stop (Yeah)
I don't know why you love me, but baby
Please, don't stop (Please)
Please, don't stop
Please, don't stop (Don't stop)
I don't know why you love me, but baby

I could list about a million reasons why you did them before me
And honestly, I'm only human, but I guess I'm sort of super-human-insecurity
'Cause I don't see how you could love me like it, so selflessly
Got me out here getting cavities 'cause you're so damn sweet
And I don't know why you love me, but baby

Please, don't stop (Don't stop)
Please, don't stop (Don't stop)
Please, don't stop
I don't know why you love me, but baby (Don't know why)
Please, don't stop
Please, don't stop
Please, don't stop (Don't stop)
I don't know why you love me, but baby (Baby)

All my love belongs to you
If you wanted forever (Don't stop)
Can't nobody love me better, baby
All my love belongs to you
If you wanted forever (Don't stop)
Can't nobody love me better, baby
Baby, don't stop making me feel like a king
Don't stop keeping it real, you and me
Don't stop giving my heart reasons to try
And I don't know why, but baby

Please, don't stop (Don't stop)
Please, don't stop (Don't stop)
Please, don't stop
I don't know why you love me, but baby
Please, don't stop
Please, don't stop (Don't stop)
Please, don't stop (Don't stop)
I don't know why you love me, but baby
