

Enough

Todrick Hall

I sing love songs all the time
I sing children lullabies
And I play handphones and then I press rewind
So this is a love song but a different kind

Cause I've let others tear me apart
So called lovers break my heart
And I didn't love myself sometimes
I didn't see how bright I shined
But you and I, it's just you and I
And I promise you I can

Love you harder, I can
Treat you better, I can
Let you know that you're beautiful, you're beautiful, you're beautiful
Life gets harder, Imma
Fight for you harder, I can
Look in the mirror, say you're beautiful, you're beautiful, you're beautiful

I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough
I'm enough (I'm enough, I'm enough, I am), I'm beautiful
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough
I'm enough (I'm enough, I'm enough, I am), I'm beautiful

I've sung church songs all my life
And I've had church folks throw me signs
And I've had best friends tryna steal my pride
But I'm still standing and I'm doing alright
Now I'm embracing all my scars

There's nothing like facing who you are
And when you're down and need some help
And gotta lean on no one else
Just sing a love song to yourself
And I promise you, I can

Love you harder, I can
Treat you better, I can
Let you know that you're beautiful, you're beautiful, you're beautiful
Life gets harder, Imma
Fight for you harder, I can
Look in the mirror, say you're beautiful, you're beautiful, you're beautiful

I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough
I'm enough (I'm enough, I'm enough, I am), I'm beautiful
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough
I'm enough (I'm enough, I'm enough), I'm beautiful

Cause you are a perfect creation

You've got a future with-taken
You are the voice of the nation
Sing out cause your history in the making
You're beautiful
So load all your freckles and curves
Your color's a gift, not a curse
As long as you're here on this earth
Promise yourself you won't ever stop saying the words
You're beautiful

Love you harder, I can
Treat you better, I can
Let you know that you're beautiful, you're beautiful, you're beautiful
Life gets harder, Imma
Fight for you harder, I can
Look in the mirror, say you're beautiful, you're beautiful, you're beautiful

I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough (I am)
I am, I am, I am, I am, I am enough
I'm enough (I'm enough, I'm beautiful)
