

Evolution Of Disney

Todrick Hall

Just whistle while you work
And cheerfully together we can tidy up the place

I've got no strings to hold me down
To make me fret to make me frown
I had strings but now I'm free
There are no strings on me

I've seen a front porch swing
Heard a diamond ring
And I laughed til I thought I'd die
But I be done seen 'bout everything
When I see an elephant fly
When I see an elephant

Salagadoola
Mechika boola
Bibbidy bobbidi boo
Put them together and what've you got
Bibbidy bobbidi boo

A very merry unbirthday to me
To who?
To me,
Oh, you
Let's all congratulate us with another cup of tea (you can fly, you can...)
A very merry unbirthday to you

He's a tramp, he's a scoundrel
Breaks a new heart every day
He's a tramp, but they love him
And I wish that I could travel his way

I know you I walked with you
Once upon a dream
Cruella Deville Cruella Deville
To see her is to take a sudden chill
Cruella Cruella Deville

Ohh-oo (step in time)
I wanna be like you (step in time)
I wanna walk like you, talk like you
Too-o (everybody wants to be a cat)

Why should I worry? (under the sea)
Why should I care?
(Darling it's better down where it's wetter take it from me)
It's just be-bopulation
And I got street savoir-faire
Up on the shore they work all day
Out in the sun they slave away
While we devotin'
Full time to floatin'
Under the sea

Be our guest, be our guest
Put our service to the test

And we'll sing you off to sleep as you digest
Tonight you'll prop your feet up
But for now let's eat up
Be our guest, (a whole new world)
Be our guest
Be our guest, (You ain't never had a friend, never had a friend)
Please be our (a friend like)
Prince Ali- fabulous he- Ali Ababwa
Oh I just can't wait to-

Thank you Max, for that marvelous introduction!
I put a spell on you
And now your gone (gone, gone, gone, so long)
I put a spell on you
And it was strong (so strong, so strong, so strong)
Your wretched little lives
Have all been cursed
'Cause of all the witches working
I'm the worst
I put a spell on you
And now I'm gonna stand out (stand out)
Above the crowd
Even if I have to paint with all the colors of the wind

You've got a friend in me (Topsy Turvy)
You've got a friend in me
(I won't say I'm in love)
You're gonna see it's our destiny
Cause you've got a friend in me

Who puts the Glad in Gladiator?
Her-cu-les!
Who's daring deeds are greek theater?
Her-cu-les!
Is he bold? No one braver
Is he sweet? Our favourite flavour
Hercules! Hercules! Hercules'
Her to the cu the the les
Hercules! Woohoo! Yes, indeed

You must be swift as the coursing river
(Be a man)
With all the force of a great typhoon
(Be a man)
With all the strength of a raging fire
Son of a man a man in time you'll be

Together, together, together everyone
(Zoom zoom zoom, make my heart go)
(Together together c'mon let's have some fun)
Cheetah girls, cheetah sisters
(Together we're there for each other every time)
You get the limo out front,
That's so raven
(Together, together, c'mon let's do this right)

Come my little friends as we all sing a happy little working song (we're all
in this together once we know that we are we're all stars and we see that)
I'm almost there, do you wanna build a snowman? (we're all in this together
and it shows when we stand hand in hand)
Make our dreams come true

I mean it's crazy! What?

We finish each others sandwiches.
That's what I was gonna say!
I never met someone who thinks so much like me
Jinx Jinx again!
Our mental synchronization can have but one explanation
You and I were just meant to be
Say goodbye (say goodbye)
To the pain of the past
We don't have to feel it anymore (when you wish upon a star)
Any more

Let it go (go), let it go (oh),
Can't hold it back anymore (Beauty and the beast)
Let it go (go), let it go (oh),
Turn away and slam the door (Zippidy-do-dah)
Here I stand, in (And at last I see)
The light of day
Let the storm rage on (the world is a carousel of colors)
The cold never bothered me anyway!
